Short-Term Investments That Are Safe

Satisfactory short-term investments in the shape of stocks and bonds are not readily found. Most of the choice securities have a number of years to run.

However, there is one security that we can recommend without any reservation whatever to those having funds for short-term investment—our interest-bearing Certificates of Deposit.

Any amount from $1.00 up can be invested with the assurance of absolute safety and for such time as is desired. They will be found just as satisfactory for long-term as for short-term investment.

You are invited to call on us for full details.

One-fourth of the wheat we grow is the result of the researches of the Government. After years of untiring experiment and investigation, the Government, through the Department of Agriculture, was enabled to introduce into this country the remarkable Durum wheat through which our production has been increased fully twenty-five per cent. This has been only one of many surprising but little-known accomplishments of the Government, which are covered in the interesting series of stories for which we have the exclusive right of distribution in this community.

We'll send this literature to you each month without obligation on your part if you will ask for it.

There was right much excitement among the spectators as the trial progressed which resulted in a conviction of Davidson with a fine of $5 and costs. The Rev. Our School

The Appomattox High School opens here on September 12th and the out look for both pupils and teachers are unusually good. The faculty has been completed and great care has been exercised in securing teachers the salary paid for the highest grade of teacher Great difficulty was experienced in getting first class teachers says Prof. Crawley, but he thinks that there has been secured as high grade of teachers as can be had, many of whom are teachers of this county. The faculty at present stands: L Carwley, B. A. M. A., principal; T. F. Akers, B. S Mrs. Havilah Babcock, B A., Miss M. F. Kruger, B. A., Miss Aeline Houser, B. S, Miss Elaine McDearman, graduate of Farmville normal, Miss Leola Terrell, graduate of normal; Miss Alice Pace, Miss McCain, graduate of normal; Miss Mildred Trent, graduate of normal; Miss Eddie Hardy, Miss Nellie Robertson, graduate of normal; Miss Kate Franklin, music director; Mrs. Ethel Crowder, house hold director.

With the completion of the new auditorium Principal Crawley wishes to organize a Parent's Teachers Association. He is very anxious that the parents take a greater part and interest in the school work of the town It is hoped that an association will be so effected that public opinion will be aroused to such an extent that the pupils of this town as well as the pupils of the county will have as good school advantages as any in the state. The present plans now will be well completed from all outside appearances, but there are many things that should be accomplished on the inside is the opinion of Prof. Crawley.
